Description: Harley Brown offers artists his truths for painting success--the stuff he hopes they teach in art school. A well-established artist, Brown has gained a large following with his frank, no-nonsense approach to teaching art. Twelve knock-out chapters include: * What every artist should do first. Harleys own cheap and dirty way to start a painting* Composition--who...

Review: Alleged to be in very good condition? This book is missing pages that have been sliced out with a razor. One example i this cut - where the pages on Composition- an important subject in an art instruction book- have been removed. Have seen an intact coy of book. In an undamaged condition it would be a stellar addition to any art student's library...
